

2008 Madison Open Practice Ice

Additional practice ice at the Madison Ice Arena will be available at the Registration Desk on a first come, first serve basis. No email requests for practice ice will be taken. The twenty-minute sessions will be sold at a cost of \$13 each. Coaches, parents and skaters may purchase practice ice for only one skater at a time. Practice ice for members of the same family may be purchased at the same time.

Please see the practice ice schedule for days, times, rinks and availability. For safety reasons, attempts are made to keep sessions separate by skating level. Skaters may be permitted on sessions outside of their level at the discretion of the Registration Desk. The Registration Desk will open at 8:00 am on Friday, September 25 and 6:00 am on Saturday and Sunday, September 26-27.
