

## 2022 Compete USA Competition Announcement

**July 23, 2022**

**Hartmeyer Ice Arena  
1834 Commercial Ave  
Madison, WI 53704**

The 4th Annual Badger Classic will be conducted in accordance with the rules and regulations of the U.S. Figure Skating, Learn to Skate USA as set forth in the current Rulebook as well as any pertinent updates which have been posted on the U.S. Figure Skating or Learn To Skate USA website.

## ELIGIBILITY / TEST LEVEL

The competition is open to ALL skaters who are currently eligible (ER 1.00) members of either Learn to Skate USA or those who are full members of U.S. Figure Skating. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event and all six should receive an award.

### Eligibility and Test Requirements:

Eligibility will be based on skill level as of the closing date of entries. All **Snowplow Sam and Basic 1-6** skaters must skate at the highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-Free Skate, Free Skate 1-6, Excel, Well Balanced, and Adult levels** eligibility will be based only upon the highest free skate test level passed. Moves in the Field test level will not determine skater's competitive level. Skaters may skate at the highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee (LOC) discovers that a skater has been placed in a category that is below his/her class level, the chair and referee will have the option to move the skater into the proper division, even if this must be done the day of the competition. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

Prior to the event, schedules for skaters and coaches as well as general competition information will be available online at [www.fscmadison.com](http://www.fscmadison.com). Schedules will NOT be mailed or emailed.

Actual skating order is posted the day of the competition at the event.

## **INFORMATION REGARDING COACHES**

Any person, 18 and older, instructing in a U.S. Figure Skating Basic Skills Program must have successfully passed the annual background screen and be registered as a Basic Skills instructor member.

The local organizing committee/club will have a list of compliant coaches who are cleared for a credential at the competition. Coaches will need to check in at the event registration desk and show a government issued photo I.D. to receive a credential.

If a coach cannot provide a photo I.D. and is not on the list or cannot produce the necessary documents, he or she will not be allowed a credential – no exceptions. We strongly urge all coaches to have their cards with them.

Non-credentialed coaches will not be permitted in the designated coaching area at rink side during events including practice sessions. Coaching at U.S. Figure Skating events without compliance is an ethics violation which is reported to U.S. Figure Skating and PSA.

### COMPETITIVE PROGRESSION THROUGH THE LEVELS OF U.S FIGURE SKATING

Singles athletes begin with Compete USA competitions. Once athletes begin the official U.S. Figure Skating test structure, they can choose to enter the Excel, Well-Balanced or Adult levels as appropriate for their ability, test level, and age. Test requirements are the same for the Excel and Well-Balanced levels. It is completely the choice of the athlete which track to follow; athletes may switch between tracks as best suits their development, but may not enter the same type of event in multiple tracks. Competitive level is determined by highest free skate test passed.

## SHOWCASE EVENTS

Showcase events are open to skaters in the Basic, Free Skate, limited beginner, preliminary and adult bronze levels. Groups will be divided by number of entries and ages if possible. Skaters must enter at the same level as their free skate event or highest test level of skaters in the group ensemble or production number. If a free skate event is not being entered, skaters must enter at their current test level or one level higher.

Show costumes are permitted if they do not touch or drag on the ice. Costuming and make up for showcase programs should enhance the feeling created by the performance and reflect the meaning of the story or theme. Ornaments and hair accessories must be secure. No bobby pins, feathers, hair accessories or anything else that may fall to the ice and be hazardous to the skaters are allowed. (a 0.1 deduction will be taken). Props and scenery must be placed and removed by unaided singles and duet competitors within one minute on and off and by unaided ensemble contestants within two minutes for setup and two minutes for removal. A 0.1 deduction will be assessed by the referee against each judge's mark for every 10 seconds in excess of the time allowed for the performance, for handling props and scenery and for scenery assistance.

Performances will be judged from an entertainment standpoint for theatrical qualities. Technical skating skills and difficulty will not be rewarded as such; however, skating must be the major element of the performance and be of sufficient quality to support the selected theatrical elements. Unintended falls, poorly executed skating elements and obvious loss of control will reduce contestant's marks. Jump difficulty is not rewarded in showcase; therefore jumps, if choreographed, should be performed with style, flow and confidence. Theatrical elements evaluated will include energy, poise, acting, pantomime, eye contact, choreography, form/extension and the use of props and ice. The 6.0 judging system will be used. Deductions will be made for skaters including technical elements not permitted in the event description.

\* For specific guidelines regarding the conduct of showcase competitions, refer to the nonqualifying showcase guidelines posted on [usfigureskating.org](http://usfigureskating.org). Showcase categories may include:

- Levels can be subdivided or combined, if necessary, depending on entry numbers and event set up to ensure performances are contested as per the guidelines.
- **Dramatic entertainment:** Programs should express intense emotional connection and investment in the music, choreography and theme concept through related skating movements, gestures and physical actions. The entire gamut of emotions may be expressed including intense joy and/or introspectiveness. Dramatic programs should not be depressing. Even if the emotion is sadness, there should be an enlivened feeling given to the audience.
- **Light entertainment:** Programs should express a carefree concept or storyline designed to uplift and entertain the audience through related skating movements, gestures and physical actions.
- **Duets/Trios:** Theatrical/artistic performances by 2 to 3 skaters.
