FACILITIES

The competition will be held at the Madison Ice Arena, 725 Forward Drive, Madison, WI 53711. Madison Ice Arena's main ice surface is 85' x 200' with slightly rounded corners. The studio rink, if utilized, is 65' x 85'. Locker rooms and Concessions facilities are available.

ELIGIBILITY / TEST LEVEL

Skaters are allowed to enter events in either Open (IJS & 6.0) or Compete USA, but not both.

COMPETE USA ELIGIBILITY

The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Compete USA Program and/or are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with the host Learn to Skate USA Program/club or any other Compete USA Program/club.

Test level: Competition level will be based on skill level as of closing date of entries.

- All Snowplow Sam and Basic Skills 1-6 skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed including MIF or individual dances.
- For the Pre-free skate, free skate 1-6 and Adult 1-6 eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level). Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.

OPEN EVENTS ELIGIBILITY

This competition is open to all eligible, restricted, reinstated or a readmitted persons as defined by the Eligibility Rules, and is a currently registered member of a U.S. Figure Skating member club, a collegiate club or an individual member in accordance with the current Rulebook. Refer to the current rule book for non-U.S. Citizens.

Test level: Competition level is the highest test passed as of the entry deadline, in the discipline the skater is entering.

- Entrants may skate one level above that for which they qualify, but they may not skate down in any event.

Age restrictions/requirements: Singles free skate events (Well Balanced Program) have the following requirements.

- Juvenile: Girls – 12 years of age or younger; Boys – 13 years of age or younger
- Open Juvenile: Girls – 13 years of age or older; Boys – 14 years of age or older
- Intermediate must be under the age of 18
- Adults must be 21 years of age or older

Skaters entering pre-juvenile and lower events will be divided as closely as possible by age, should the number of entries warrant more than one group.

Only one eligible competitor in event: Per Rule 3045, if only one eligible competitor enters an event, the competitor will be offered the option to skate an exhibition, or for pre-juvenile and lower singles events, compete in an equivalent event against skaters of the opposite gender.

- If the skater chooses to skate an exhibition, judges' marks will be given according to the rules and the applicable scoring system, and the competitor will receive first place
- If the skater chooses to compete in an equivalent event against skaters of the opposite gender, the skater will be entered accordingly.
- If the skater chooses not to skate, the entry fee will be refunded and the event will be cancelled.
